# CANADA SERVICE FROM HOLLAND

AS YOUR COMPLETE CROSS-BORDER DELIVERY PARTNER,  
WE HELP YOU CROSS ITEMS OFF YOUR TO-DO LIST.

## Cross-border Canada shipping from Holland provides:

- More next-day shipping lanes to and from Canada than other carriers
- Greater 2nd-day reach across the border
- Guaranteed Delivery before noon and 3:30 p.m., and Expedited Service is available for select destinations
- Electronic processing of the customs release information before the shipment reaches the border with our participation in the Pre-Arrival Review System (PARS)
- Government approval and security certifications for the Free and Secure Trade (FAST) program and Customs-Trade Partnership Against Terrorism (C-TPAT) to allow for faster border clearances
- Online shipping forms

## Ship across the border with confidence.

Holland is known for providing the Central, Midwest and Southeast regions of the U.S. with efficient, on-time shipping services. And we apply that same award-winning approach to our cross-border deliveries. When shipping to Canada, customers can rest assured knowing that Holland offers:

- 99% claim-free shipping
- Industry-leading on-time service to and from Canada
- Dedicated team of logistics professionals to provide smooth transportation throughout the cross-border delivery process

## Easy instructions for shipping between the U.S. and Canada.

### 1. Collect information for export documentation.

- Shipper information: Name, address and telephone number
- Importer information: Name, address and telephone number of customs broker
- Shipping information: Complete the Customs/Commercial Invoice (CCI) with the description and value of each item, name of customs broker, and country of origin (where the goods are produced, manufactured or grown)

### 2. Pack and label your shipments.

- Pack in appropriate boxes, cartons, pallets, etc.
- Label each unit clearly with the shipper and consignee names and addresses

### 3. Complete and provide all required export documentation.

- Bills of lading including customs broker information
- Completed Customs/Commercial Invoice (CCI)
- The importer's customs broker will advise if any other documentation is required
- Scan and email documents to [USFCP@speedy.ca](mailto:USFCP@speedy.ca) or fax to 905.451.4814

### 4. Call Holland for a pickup and enjoy the peace-of-mind you get when shipping with a regional expert.

- Reach us at 866.465.5263
- Customs clearance process begins once your shipment information is entered into the Holland system
- Shipment delays are virtually eliminated when the Holland Customs Center coordinates clearance with customs brokers and customs
- Documented delivery to the consignee on the delivery receipt and in the Holland system
