

WHEN TIGHT DEADLINES MEET NEXT-DAY DELIVERY...

PEACE-OF-MIND IS ALWAYS THE BOTTOM LINE.

WE MAKE NEXT-DAY HAPPEN.

NEXT-DAY DELIVERY

THE RELIABILITY YOU COUNT ON. THE EFFICIENCY YOUR CUSTOMERS REQUIRE.

We Make Next-Day Happen.

How? By providing the most next-day shipping lanes in the region and through extensive next-day reach in the Central, Southeast and Midwest regions of the U.S. and eastern Canada. We also have a team of transportation professionals who know our customers, the region and what it takes to get the job done.

Next-Day Delivery from Holland delivers results, including:

Lower costs

Holland has the ability to schedule just-in-time shipments for faster transits and speed to market that eliminates the need to have extra inventory as a safety net.

Fewer supply chain interruptions

We eliminate the downtime caused by late materials and shipping delays.

Improved customer service

Holland provides reliable shipping and best-in-class service designed to meet our customers' delivery demands.

Reduced handling

The result? Fewer damages, a lower claims ratio and greater on-time performance – for you and your customers.
